

REMARKS

INTRODUCTION:

This preliminary amendment accompanying a request for continued examination is being filed in order to improve the form of the above referenced application. Claim 1 has been amended to improve upon the invention. Proper support for the amendment to claim 1 can be found in the specification, at least at paragraphs [0025] though [0027]. No new matter is included in this amendment. Claims 1, 3-6 and 11-17 are pending and under consideration.

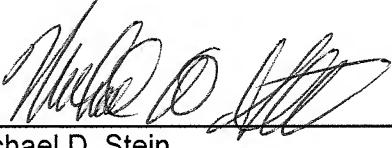

CONCLUSION:

There being no outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited. Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters. If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
